

# *The Alpaca Success Coach™*

Learning about alpacas is a journey of discovery. Let us assist you in this journey. Angel Wood Alpaca Farm, LLC is the Alpaca Success Coach™.

It's our gift to help you get the most out of alpacas. Our alpaca champion bloodlines are also available to assist your herd building.

Daryl and Frieda Goodrich each have 27+ years family owned small business experience and 11+ years alpaca experience.

Daryl is a NJ lawyer and a past Director & President of the Alpaca Fiber Cooperative of North America, Inc. He was in-house legal counsel for Fortune 500 companies General Electric Company and Kidde, Inc.

Frieda is a past Director of Mid-Atlantic Alpaca Association and a founder and past President of the New Jersey Alpaca Community.

As the Alpaca Success Coach™, we share success strategies. This is not financial or legal advice but insight into issues for you to consider with your accountant and attorney.

The strategies we share cover the following areas:

- Investment income versus earned income.
- Alpaca fiber uses, income and preparation.
- Business and tax options and limitations.
- Business entity selection.
- Limiting liability for personal injury and property damage.
- Profitable and show pedigree herds.
- Alpaca selection and discerning alpaca quality.
- Alpaca purchase process, warranties and contracts.
- Alpaca breeding, training, care and herd management practices.
